

## **Valencia County RAC Narrative (February 2012)**

### **Barriers this Quarter**

- 1. More time to work with the families is needed.**
- 2. There is a need for Spanish speaking providers.**
- 3. Transportation for families to get to appointments.**
- 4. Services for families that do not have Medicaid or private insurance.**

### **Successes**

- 1. Increase in clients coming to the office and receiving the JIFF Assessment.**
- 2. Families are continuing to follow-up with referrals to agencies in Valencia County.**
- 3. Parents are following up with RAC specialist requesting additional information.**
- 4. RAC Specialist continues to be flexible with SRO's request regarding availability.**
- 5. Century High is very supportive of the RAC program.**
- 6. RAC site opened in the Belen school district at Infinity High School.**
- 7. The Jail Tour is being used for some of the youth that come to the program.**
