You can join the Conference as a partner in three ways:

Be a Workshop Presenter

The Conference is a prime opportunity for older adults and the professionals who work with them to learn about current issues and trends. Workshops educate, entertain and enhance life. We welcome new ideas for topics. Continuing education units are available for social workers, nursing home administrators, and nursing home activity directors. *See pages 3 and 4*

**** The deadline for workshop proposals is Monday, April 25, 2016****

Be a Financial Supporter

You can help support the Conference by being a Sponsor, Exhibitor, Advertiser, or Gift Contributor. All financial participation options provide important support to the Conference, as well as valuable exposure for you and/or your organization. *See pages 5 and 6*

The Conference features a two-day Health & Enrichment Fair. This provides an opportunity for fair participants/organizations to interact with older adults and professionals. The Health & Enrichment Fair features service providers, informational booths, and interactive stations. *See pages 7 and 8*

General Information and Conference Schedule can be found on page 9

Information for Workshop Presenters

The cornerstone of the Conference is its numerous and varied educational workshops. For many attendees, the Conference offers access to information and ideas that might not otherwise be available. We encourage proposals that take a fresh approach to familiar topics and those that introduce new ideas and concepts. New proposals will be given priority over those that may have been offered in the past. Proposals for sessions to be co-presented in Spanish, Diné, Tewa, Tiwa, Towa, Keres or other native languages are also welcomed.

Interested presenters must submit a proposal form. All presenters are welcome to attend Conference events on the day(s) of their workshops at no charge. Those who plan to attend the full Conference are required to pay the registration fee. Presenters are responsible for their own meals, travel expenses and other miscellaneous costs. Presenters may not use workshops to promote businesses or political candidates, or sell products. A conference registration packet will be mailed to all presenters.

Workshops

Each workshop is scheduled for 1 hour. Workshop rooms will be equipped with a laptop, microphone, screen and LCD projector. Additional microphones are available upon request (charges may apply). Internet access is available.
