About This Guide

This publication has been prepared by the Bureau of Elections to serve as an easy to use reference for candidates who are seeking office in the 2020 primary election cycle, as well as for anyone interested in the election process in New Mexico. We recommend that even the most experienced candidates take the time to review this guide, as laws, rules, policies, and procedures may have changed over the years. It is also important to refresh your memories as you embark upon campaign season.

Please note, this guide is intended merely as a handy reference, not as a legal authority on the elections process. Despite our good faith effort and multiple reviews, this guide may contain inadvertent errors. Please email sos.elections@state.nm.us immediately if you notice an error. Also, please remember this guide is not a substitute for legal research or for the advice of an attorney.

Copies of the New Mexico Election Code and other applicable laws are available in the *2019 Election Handbook of the State of New Mexico*, which is published on our website. It is also important that users of this guide read it in conjunction with the law referenced herein.

This guide contains information for both major and minor party candidates, as well as independent and write-in candidates. While independent and minor party candidates do not participate in the Primary Election, they are required to circulate petitions and file declarations of candidacy shortly following the Primary Election (required forms will be available March 2, 2020). Information for independent and minor party candidates differs from major party candidates, that information is specified within the guide.

For candidates interested in public financing, please refer to the Secretary of State's website for any information, as this guide does not provide information, other than financial reporting dates, about the Voter Action Act.

If you have any questions about the information in this guide or if you have questions regarding elections that are not provided in this guide, please feel free to call the Bureau of Elections at 1-800-477-3632 or (505) 827-3600 or email sos.elections@state.nm.us.

General Eligibility Requirements for All Offices

Party Affiliation: In New Mexico, only major political party candidates will appear on the Primary Election ballot. The three major political parties are the New Mexico Democratic Party, the New Mexico Republican Party and the Libertarian Party of New Mexico.

The minor political parties are the Green Party of New Mexico, the Better for America Party of New Mexico and the Constitution Party of New Mexico. Minor party candidates are nominated for office pursuant to the party rules on file with the Secretary of State and pursuant to NMSA 1978, §§ 1-8-2 and 1-8-3.

Information and deadlines for qualifying as a new minor party in New Mexico can be found on the Secretary of State's website at www.sos.state.nm.us and in NMSA 1978, §§ 1-7-2 to -4.

Independent candidates, in general, are candidates whose certificate of voter registration shows affiliation with no qualified political party on the date of the secretary of state's general election proclamation and, if applicable, shows residence on the date of the secretary of state's proclamation in the district or county of the office for which the person is a candidate. Please *see*, NMSA 1978, Section 1-8-45, for specific qualifications for independent candidates.

U.S. Citizenship: U.S. Citizenship is a prerequisite to register to vote as well as a requirement in holding elective public office in New Mexico. N.M. Const. Art. VII, Sec. 2 (a).

Minimum Age: The Twenty-Sixth Amendment of the United States Constitution grants the elective franchise to persons eighteen years old or older and supersedes the minimum age requirements for voter registration in the New Mexico Constitution. Please note that some elected offices have specific age eligibility age requirements beyond the minimum age requirements established by the Constitution. For that information, please see the Specific Eligibility Requirements section below.

New Mexico Requirements: New Mexico law outlines certain requirements for candidates to have their name printed on a ballot based upon the candidate's voter registration information. Specifically, the candidate's voter registration must show:

- Affiliation with the political party as of the date of the Secretary of State's General Election Proclamation on January 27, 2020. NMSA 1978, § 1-8-12;
 - **Independent Candidates:** their voter registration must show no affiliation with any qualified political party on the date of the Election Proclamation. NMSA 1978, § 1-8-45(A)(1)(a).
 - **Minor Party Candidates:** their voter registration must show the candidate was registered as a member of their minor party *before* the day the secretary of state issues the general election proclamation. NMSA 1978, § 1-8-2(D).

Notice to Minor Party and Independent Candidates: If a minor political party seeks, but does not obtain, qualified status, its candidates may instead run as independent candidates in the general election, if they individually meet the requirements for independent candidacy. An individual

who has collected signatures for the purpose of running as a minor party candidate may, if that party fails to qualify, apply his or her collected signatures toward the total required of an independent candidate for the same position. He or she, upon collecting the number of signatures required to file as an independent, may then run as an independent candidate. The candidate must meet the residency requirements set forth for independent candidates and must not have been a member of a qualified political party on the date of the secretary of state's general election proclamation. NMSA 1978, § 1-8-3.1.

- Residence in the district or county of the office for which the candidate is running on the date of the Secretary of State's General Election Proclamation. NMSA 1978, § 1-8-18(A) (2). Residence is determined by the place shown on the certificate of voter registration as the candidate's permanent address, provided that the candidate resides on the premises NMSA 1978, § 1-1-7.1; and
- The candidate's name will appear on the ballot to match the voter registration record on file. NMSA 1978, § 1-4-16(B). The candidate shall provide the appropriate filing officer with their name as registered when they file for their office. Any changes to voter registration must be effective on the date of the Secretary of State's General Election Proclamation. Attempted changes to ballot name appearance at the time of candidate filing is *not* allowed.

Felony Convictions: A person convicted of a felony shall not hold an office of the public trust for the state, county, municipality, or a district, unless the person has presented the governor with a certificate verifying the completion of the sentence and confirming the person was granted a pardon or a certificate by the governor restoring the person's full rights of citizenship. NMSA 1978, § 31-13-1(E).

NOMINATING PETITIONS

Offices that Require Nominating Petitions

Candidates for United States Representative, any statewide office (including Supreme Court Justice and Court of Appeals Judge), all state legislative offices, district court judge, metropolitan court judge, district attorney, magistrate court judge, public regulation commission, and public education commission are required to file nominating petitions upon filing for office with the appropriate filing officer, listed below. Candidates who are required to file nominating petitions do not pay a filing fee.

Candidates who are not required to file nominating petitions, i.e. county office candidates, instead pay a \$50.00 filing fee to the County Clerk upon filing for office. In cases of financial hardship, the County Clerk may waive the fee if the candidate submits a Pauper's Statement, which is available on the Secretary of State's website.

Nominating petitions for presidential candidates are different from that of other candidates and are explained separately on page 32.

General Information

On October 1, 2019, the Secretary of State shall publish the form of petition and the required number of signatures required for each office on the website. At that time we also provide each County Clerk with the same information and documents.

- **Independent and Minor Party:** In March 2020 the Secretary of State will publish petition forms for independent and minor party candidates on the website, along with the signature numbers, and provide the forms and signature numbers to each County Clerk.
- Minor party nominations for President of the United States shall be nominated through their respective political convention and must be provided to the Secretary of State after the party convention.

The form of petition is outlined in New Mexico law. Candidates must collect signatures on nominating petitions that are in the form prescribed by the Secretary of State. The form provided online and to the County Clerks is the only acceptable form; other forms are not accepted on filing day. Candidates may make as many copies as necessary of the form. Petition forms must be on 8.5" x 11" sized normal weight copy paper and must be copied on only one side of the paper.

The provided form is an electronically fillable form and **all** information at the top of the form must be completed. Candidates not electronically filling the form must assure that forms are filled in with blue or black ink and are legible.

NMSA 1978, Section 1-1-26, requires the following information shall be listed in the appropriate space at the top of a nominating petition before the petition has been signed by a voter:

- (1) the candidate's name as it appears on the candidate's certificate of registration;
- (2) the address where the candidate resides;
- (3) the office sought by the candidate;
- (4) if the office sought is a districted office or a division within a judicial district or has been assigned a position number for purposes of the election, the district, division or position number of the office sought;
- (5) if the office sought will be on the general election ballot, the party affiliation of the candidate or that the candidate is unaffiliated with any qualified political party; and
- (6) if the office sought will be nominated at a political party primary, the party affiliation of voters permitted to sign the petition.

Independent and Minor Party Candidates: this is not required. Instead, voters signing petitions nominating independent and minor party candidates must be registered to vote in the applicable district, county, or state, depending on the office. NMSA 1978, § 1-8-50.

Circulating Nominating Petitions

For candidates circulating petitions, *it is extremely important that individuals assisting the candidate with collecting petition signatures are adequately trained and appropriately informed.* Candidates are ultimately responsible for the contents of the petitions and for the actions of the individuals representing them in the public. However, both candidates and the individuals assisting them risk significant implications for failing to follow the law regarding petitions. Specifically:

- A person knowingly falsifying any information on a nominating petition is guilty of falsifying an election document. *See* NMSA 1978, § 1-8-32. Falsifying an election document is a fourth degree felony. *See* NMSA 1978, § 1-20-9(F).
- It is a misdemeanor to knowingly circulate, present, or offer to present a nominating petition for the signature of a voter that does not contain the information specified under the law. *See* NMSA 1978, § 1-8-32(B).
- Petitions submitted not in compliance with the law are not counted, which invalidates the signatures on those petitions, therefore not counting towards the candidate's required number of signatures.
- The law provides for legal challenges to petitions. If a challenge is filed in district court, candidates must defend their collection of signatures and risk a finding of invalid signatures by a district court judge or the New Mexico Supreme Court. If enough signatures are invalidated, the candidate could fail to appear on the ballot. NMSA 1978, § 1-8-35 (A).

Candidates must avoid the use of white out, overtyping, using strikeouts or strikethroughs, cutting, pasting, or erasure when filling out the top portion of the petition form.

When circulating nominating petitions, the candidate must assure that signatures are collected from qualified, registered voters in the appropriate district or county, belonging to the candidate's political party. Voters signing petitions must sign the petition with their usual signature, print their name as registered, print their address as registered, and provide their city and/or zip code. Signatures lacking any of these items are not counted. Voters may sign only one petition per eligible office.

- **Independent and Minor Party candidates:** Voters signing petitions for independent and minor party candidates are not required to be registered in the minor candidate's political party. Instead, the voters certify that they are residents of the state, district, county, or area to be represented by the office for which the person seeking nomination is a candidate. NMSA 1978, §§ 1-8-2 (B).

Independent and minor party candidates MUST ensure they are circulating the correct nominating petition form which will be published March 2020 on the Secretary of State's website.

Minimum Number of Signatures: Candidates required to collect petition signatures have a minimum number of valid signatures they must collect in order to qualify for the ballot. The number requirements are calculated and published by the Secretary of State pursuant to NMSA 1978, § 1-8-33 for major party candidates. The petition signature numbers are calculated from a required percentage of the total votes cast for all of the party's candidates for governor at the last preceding primary election at which the party's candidate for governor was nominated. Information on the calculations is available upon request from the Bureau of Elections.

- **Minor Party Candidates:** the minimum required number of signatures is based upon the number of voters for the office of governor or president, as the case may be. NMSA 1978, § 1-8-2.
- **Independent Candidates:** The basis of percentage for the total number of votes cast in each instance referred to in this section shall be the total vote cast for governor at the last preceding general election at which a governor was elected. NMSA 1978, § 1-8-51.

The required number of petition signatures for each required office on the 2020 primary ballot is below. It is strongly recommended that candidates obtain at least 10% more signatures than the minimum requirement in order to potentially qualify for the ballot in the event of a challenge to the petitions and some signatures being disqualified.

REQUIRED NUMBER OF PETITION SIGNATURES

Candidates required to circulate petitions must meet statutory thresholds of signatures to qualify for the ballot. Candidates who seek, but do not receive preprimary convention designation may still qualify for the ballot by collecting additional signatures.

Nomination for Office of President of the United States

Candidates for the office of President of the United States are selected in a different manner from that of other offices. For full information on selection of presidential primary candidates in New Mexico, please review NMSA 1978, § 1-15A-1 through 11. Major party presidential candidates are selected by the parties at their national conventions based upon the party's rules.

Nomination by Committee: Major party candidates for president are selected by a committee who shall meet in Santa Fe and nominate presidential primary candidates no later than February 15, 2020. The committee is comprised of the following members:

- Chief Justice of the New Mexico Supreme Court (acting as committee chair);
- The Speaker of the House of Representatives;
- The Minority Floor Leader of the House of Representatives;
- The President Pro Tempore of the Senate;
- The Minority Floor Leader of the Senate; and
- The state chairmen of those major political parties participating in the presidential primary.

Nominated by Committee: The committee shall nominate and submit to the Secretary of State the names of all candidates generally advocated for and nationally recognized or supported by any major political party in New Mexico as candidates for the office of President of the United States. NMSA 1978, § 1-15 (A)(5).

Note: Minor party nominations for President of the United States shall be nominated through their respective political convention and must be provided to the Secretary of State after the party convention.

Nomination by Petition: Candidates not receiving the nomination of the committee may file petitions for placement on the primary ballot. Candidates submitting petitions for the office of president of the United States must have the consent of the candidate's political party to file. The required number of signatures is equal to not less than two percent (2%) of the total number of votes for president cast in each district at the last preceding presidential election. The minimum number of valid signatures for the 2020 presidential primary are below. NMSA 1978, §1-15A-6.

President of the United States	
District	Number
District 1	5,703
District 2	4,674
District 3	5,874
Required Signatures:	16,251

Independent Candidates: Independent candidates are nominated solely by nominating petition following the primary election. The petition becomes available on March 1, 2020 for circulation and are filed with the Secretary of State on June 25, 2020 between the hours of 9:00 a.m. and 5:00 p.m., along with the Declaration of Candidacy. NMSA 1978 §1-8-51.

Submission of Nominating Petitions

Nominating petitions are submitted to the appropriate filing officer simultaneously with the Declaration of Candidacy on candidate filing day. The appropriate filing officer for each office is listed on page 35. For the 2020 Primary Election, filing day is February 4, 2020 for candidates seeking preprimary convention designation. Filing day is March 10, 2020 for all other major party candidates.

- **Independent and Minor Party Candidates: Filing day is June 25, 2020.**

Only signatures on original petition pages are counted. Copied, reproduced, or electronically stored petitions are not counted by the filing officer and signatures contained on those petitions are not counted toward the number of required signatures.

Number of signatures: Individual petition pages may contain one (1) to twenty (20) signatures. All necessary information is required for each signature to count. Signatures and accompanying information must be legible to the filing officer in order to count. The total number of petition forms must contain enough valid signatures to qualify the candidate for the ballot.

Petitions with incomplete individual voter information, as outlined above, are not counted. For example, if a petition contains 20 voter signatures, but 3 of those voters failed to provide the required information or are illegible, those 3 signatures are not counted, but the remaining 17 are counted.

No alterations to submitted petitions. A nominating petition when filed shall not be withdrawn nor added to, nor shall any person be permitted to revoke his signature thereon. A nominating petition shall be complete when filed. The proper filing officer shall not permit additions to or withdrawals from a nominating petition after it is filed nor shall any person be permitted to revoke his signature on a petition after it has been filed. The original nominating petition shall remain in the filing officer's office and copies shall be made available by the filing officer for a nominal cost. NMSA 1978, § 1-8-34.

Challenges to Petitions. Challenges to petitions primarily occur when a voter files an action in district court challenging the validity of the petitions. Individuals wishing to challenge a petition shall file a court action challenging petitions within ten days after the declaration of candidacy and petitions are filed. See NMSA 1978 § 1-8-35 regarding the requirements of a petition challenge for major party candidates and NMSA 1978 § 1-8-45 for independent candidates.

All nominating petitions submitted to the filing officer are public records. The filing officer retains the original nominating petitions and shall make copies available to the public upon request for a fee. The request form for petitions is on the Secretary of State's website. *Candidates are encouraged to make copies of their petitions prior to filing them for the candidate's own records.*

When to File

Preprimary Convention Designation: Candidates for statewide or federal office who seek preprimary convention designation will file for office on February 4, 2020 in the Secretary of State's office between the hours of 9:00 a.m. and 5:00 p.m. For candidates succeeding in preprimary designation, the party is responsible for submitting certificates of designation to the Secretary of State on the first Tuesday following the party's convention at which the candidate's designation took place.

Candidates who seek but do not obtain preprimary convention designation status may still file for office pursuant to NMSA 1978, § 1-8-33(D) by collecting additional petition signatures, submitting the additional petitions to the Secretary of State, and filing a new declaration of candidacy. The newly collected petition signatures are added to the previously submitted signatures and cumulatively totaled. This filing day is either 1) ten days after the primary convention or 2) filing day for all other candidates, whichever is later. At the time this guide is published, the Secretary has not been informed by the parties as to when their statewide conventions are being held. Please check with the individual parties to obtain these dates.

All other major party candidates: Major party candidates for offices not eligible for receiving a preprimary party designation will file for office on March 10, 2020 between the hours of 9:00 and 5:00 p.m. Filing is completed in the office of the appropriate filing officer listed above.

Write-in candidates³: Write-in candidates shall file for office on March 17, 2020 between the hours of 9:00 a.m. and 5:00 p.m. Filing is completed in the office of the appropriate filing officer as listed above.

Minor party, independent, and write-in candidates for the general election: Filing day is June 25, 2020 between the hours of 9:00 a.m. and 5:00 p.m. Filing is completed in the office of the appropriate filing officer as listed above.

³ Specific information relevant only to write-in candidates is located on page 35 herein

What to File

Candidates are required to file the appropriate information with the appropriate filing officer on the filing day designated for their office.

Each candidate must come to the filing officer during the designated hours with the following information:

- Declaration of Candidacy (completed prior to arrival);
- Candidate Campaign Committee Registration Form (completed prior to arrival);
 - Not for federal candidates
- Nominating Petitions (if required);
- Filing Fee or pauper's statement (for county candidates only);
- Financial Disclosure Statement⁴ (if required);
- Affidavit of PRC Qualification (for PRC candidates only);
- Affidavit of Designee for Filing (if someone is filing on behalf of candidate).

Filing Day Tips

- Do not expect early service. Filing officers will not accept filings prior to 9:00 a.m.
- Do not wait until the last minute. Candidates not appearing by 5:00 p.m. in the appropriate filing officer's office cannot file.
- Candidates must file in the office of the appropriate filing officer. Be certain of who your appropriate filing officer is and the location of their office.
- Be prepared with all necessary information and have all forms completed.
- All required forms for filing day are available on the Secretary of State's website.
- Candidates must file in person, either themselves or via a proxy showing written authorization from the candidate permitting the individual to act on the candidate's behalf. Further, filing officers may accept one and only one declaration of candidacy from any individual, i.e. candidates may file for only one office in an election cycle. NMSA 1978 § 1-8-27.

Filing for Office as a Write-in Candidate

Individuals wishing to appear on the primary ballot as a write-in candidate should review NMSA 1978, Section 1-8-36.1 in its entirety. Write-in candidates are permitted in the primary election **only** for the following offices:

⁴ Financial disclosures are required of all candidates for legislative or statewide office. They are filed at the time the declaration of candidacy is filed and must be on the correct form. The Financial Disclosure Act, NMSA 1978 § 10-16A-1 through 8, governs this requirement as well as subsequent disclosures required for certain elected officials.

- United States Representative;
- Senate;
- House of Representatives;
- District Court Judge;
- District Attorney;
- Public Regulation Commissioner;
- Public Education Commissioner;
- Magistrate Judge; and
- Any office voted upon by all voters of the state

A write-in candidate's certificate of registration must reflect the party which is shown on his or her certificate of voter registration and meet the general and specific qualifications for the office sought. Write-in candidates shall file a declaration of intent with the filing officer.

Once the declaration of intent is filed, write-in candidates are considered a candidate for all purposes and provisions relating to candidates in the Election Code, including the financial reporting obligations. Names of write-in candidates are *not* printed on the ballot.

Notification of Ballot Qualification

Filing officers are required to notify candidates whether they are or are not qualified to have their name appear on the ballot.

Candidates that qualify: Filing officers are required to notify candidates qualifying for the ballot of their qualification no later than 5:00 p.m. on the Tuesday following the filing date. The notification dates are February 11, 2020 for candidates seeking preprimary designation and March 24, 2020 for all other candidates. Qualification for the ballot requires meeting the minimum number of petition signatures (if required and presuming any challenge is overcome)⁵ and the candidate's declaration of candidacy and certificate of voter registration are in proper order. Filing officers are required to mail notice to qualified candidates.

Candidates that do not qualify: Candidates who are notified that they did not qualify to have their name placed on the ballot may challenge the filing officer's decision by filing a petition with the district court within ten (10) days of the notification. Procedures for a challenge and all other information regarding notification of qualification are found in NMSA 1978, § 1-8-26.

Ballot Position Information

Preprimary Candidates: Candidates designated and certified by state convention are placed on the ballot in the order of votes received at the convention, i.e. the candidate with the highest number of votes is listed first, followed by the remaining candidates in descending order of votes.

All Other Candidates: Candidates for statewide office or federal office who are not designated by convention, but qualified by declaration of candidacy are placed on the ballot in the order determined by rule as prescribed by the SOS in accordance with NMSA 1978, § 1-10-8.1.

⁵ The timeframe to legally challenge petition signatures is outside of the notification deadline. Accordingly, it is possible for a candidate to qualify for the ballot, receive notice of qualification, and still not appear on the ballot if a court invalidates enough of the candidate's petition signatures.

CAMPAIGN FINANCE REQUIREMENTS

It is important to note first that the Office of the New Mexico Secretary of State publishes a 2019 Candidate Campaign Finance Reporting Guide intended to serve as an easy-to-use reference for current and former candidates and elected officials who are required to comply with the Campaign Reporting Act (NMSA 1978, §§1-19-25 through 1-19-376) (2019) and the Campaign Finance Rule (NMAC 1.10.13.1 to 1.10.13.32 NMAC) included in the New Mexico Administrative Code, as well as for anyone interested in the campaign finance disclosure process in New Mexico. In addition to this guide, our office provides webinar trainings regarding filing campaign and lobbyist reports. Please visit our website for more information on trainings or to download the 2019 Candidate Campaign Finance Reporting Guide.

Getting started with your campaign

In the beginning stages of your campaign, you will want to open a bank account if you do not already have a separate campaign account. You will also want to complete the form, available on the Secretary of State's website, and submit it to the Bureau of Elections. Non-statewide candidates must file their Candidate Campaign Committee Registration Form and begin reporting upon spending or receiving more than \$1,000; statewide candidates must file their Candidate Campaign Committee Registration Form and begin reporting upon spending or receiving \$3,000. NMSA 1978, § 1-19-26(G).

Once we receive the form, we will create an account for the candidate in the Campaign Finance Information System ("CFIS"). **CFIS is the online computer program where candidates must report their campaign finances. A valid email address is required for use of CFIS.** Once a CFIS account has been created, the candidate will be emailed a username and password to gain access to the system located at <https://www.cfis.state.nm.us>.

Please be aware, when opening a campaign bank account, certain financial institutions may require proof that the bank account is tied to a political campaign and proof that the candidate is in fact running for office. If your financial institution requires written confirmation that you are in fact a candidate for office, the "Candidate Campaign Committee Registration Form" is the only item available to demonstrate the campaign is active until the declaration of candidacy is filed.

Some financial institutions have requested that candidates produce a declaration of candidacy in order to open a campaign account. This form is not available until the legal filing day. Such issues are typically a confusion in terminology and can be alleviated with an explanation from the candidate regarding the filing day form and requirements.

CAMPAIGN REPORTS

CANDIDATES--POLITICAL OR CAMPAIGN COMMITTEES--TREASURER--BANK ACCOUNT--ANONYMOUS CONTRIBUTIONS - CONTRIBUTIONS FROM SPECIAL EVENTS--CREDIT AND DEBIT CARD CONTRIBUTIONS. NMSA 1978, § 1-19-34

A. A political or campaign committee or a candidate shall ensure that:

(1) a treasurer has been appointed and is constantly maintained; provided, however, that when a duly appointed treasurer is unable for any reason to continue as treasurer, the candidate or committee shall appoint a successor and notify the secretary of state within ten days; and provided further that a candidate may serve as the candidate's own treasurer;

(2) all disbursements of money and receipts of contributions are authorized by and through the candidate or treasurer;

(3) a bank account has been established and all receipts of money contributions are deposited in and all expenditures of money are disbursed from one or more bank accounts maintained by the treasurer in the name of the candidate or committee; provided that nothing in this section shall prohibit investments from a bank account to earn interest as long as the investments and earnings are fully reported. All disbursements except for disbursements made from a petty cash fund of one hundred dollars (\$100) or less shall be made in a form such that the date, amount and payee of the transaction are automatically recorded or by check made payable to the person or entity receiving the disbursement and not to "cash" or "bearer"; and

(4) the treasurer upon disbursing or receiving money or other things of value immediately enters and thereafter keeps a proper record preserved by the treasurer, including a full, true and itemized statement and account of each sum disbursed or received, the date of such disbursement or receipt, to whom disbursed or from whom received and the object or purpose for which it was disbursed or received.

B. No anonymous contributions shall be accepted for more than one hundred dollars (\$100). The aggregate amount of anonymous contributions received by a reporting individual during a primary or general election or a statewide special election shall not exceed two thousand dollars (\$2,000) for statewide races and five hundred dollars (\$500) for all other races.

C. Cash contributions received at special events that are unidentifiable as to specific contributor but identifiable as to the special event are not subject to the anonymous contribution limits provided for in this section so long as no single special event raises, after expenses, more than one thousand dollars (\$1,000) in such cash contributions. For those contributions, due diligence and best efforts shall be made to disclose on a special prescribed form the sponsor, date, place, total amount received, expenses incurred, estimated number of persons in attendance and other identifiable factors that describe the special event. For purposes of this subsection, "special event" includes an event such as a barbecue or similar fundraiser where tickets costing twenty-five dollars (\$25.00) or less are sold or an event such as a coffee, tea or similar reception; provided that no candidate shall accept contributions of more than twenty-five dollars (\$25.00) in cash at a special event from any one contributor.

D. Any contributions received pursuant to this section in excess of the limits established in Subsections B and C of this section shall be donated to the state general fund or an organization

to which a federal income tax deduction would be available under Subparagraph (A) of Paragraph (1) of Subsection (b) of Section 170 of the federal Internal Revenue Code of 1986, as amended.

- E. A candidate or political committee shall not accept a contribution made by a credit card or a debit card via the internet or where the card is not physically present unless, at the time the contribution is made, the contributor provides the card security code assigned to and printed or imprinted on the card and the billing address associated with the card.

Further, NMSA 1978, § 2-11-8.1 prohibits lobbyists from serving as a campaign chairman, treasurer, or fundraising chairman for a candidate for the legislature or statewide office.

The CRA requires candidates to file reports in CFIS on specific dates with specific reporting periods. Candidates who fail to file timely or correctly, or who violate the CRA risk negative implications, including complaints, fines, and administrative, civil, and/or criminal penalties.

REPORTS AND STATEMENTS-LATE FILING PENALTY-FAILURE TO FILE – NMSA 1978, § 1-19-35
