**WHEREAS**, the Board of County Commissioners of Valencia County, New Mexico (the "Board"), is authorized under New Mexico law to take actions that promote the health, safety, welfare, and economic vitality of County residents; and

**WHEREAS**, the State of New Mexico has long utilized targeted economic development tools, including the Technology Jobs and Research and Development Tax Credit Act, to encourage innovation, job creation, capital investment, and long-term economic diversification within the state; and

**WHEREAS**, House Bill 27 (Rep. Meredith A. Dixon et al.) and Senate Bill 97 (Sen. **WHEREAS**, Valencia County has a demonstrated interest in policies that support responsible economic development, high-quality employment opportunities, and strategic use of industrial

revenue bonds and other local development tools to grow the County's tax base and workforce;  
and

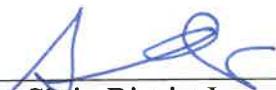

**WHEREAS**, the Board finds that the proposed amendments in HB 27 and SB 97 are consistent with the County's economic development goals and comprehensive plan, and have the potential to encourage additional private investment, research activity, and job creation within Valencia County and throughout New Mexico.
