This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

Good Morning,

I reviewed the ACH form and letter from your banking institution. As a means of protecting our customers, I kindly ask that your provide the Substitute W9 with an original signature and provide a letter less than 30 days old, or a voided check from the bank account. We hope you understand that Bradbury Stamm's security is very important to us. If you have any questions, please feel free to reach out. Thank you and have a great day!

Hi Michelle,

Thanks for the update. Regarding the September target, could you elaborate on what kind of problems might arise that could cause delays? Just trying to get a clearer picture.

Best,

Good afternoon,

As Rustin stated in his e-mail to you, currently Valencia County does not utilize ACH/EFT for payments to vendors. This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

Good morning Andy,

I apologize that I'm unable to provide a firm date for ACH payments. I'm new to this position and Valencia County has never used ACH for payments. We are in process of getting approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the banking information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to process via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. Good morning Michelle,

No problem at all, and thank you for providing this detailed update. It's helpful to understand the steps involved and that Bradbury Stamm will likely be among the first vendors to receive ACH payments once the system is live. We appreciate you keeping us informed as you navigate the new software and processes.

Best,
Andy

We are in process of getting approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the banking information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to process via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. Good afternoon,

As Rustin stated in his e-mail to you, currently Valencia County does not utilize ACH/EFT for payments to vendors. This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

We are in process of getting approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the banking information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to process via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

We are in process of getting approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the banking information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to process via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

Good afternoon,

As Rustin stated in his e-mail to you, currently Valencia County does not utilize ACH/EFT for payments to vendors. This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

Good afternoon Michelle,

Thank you for the update. We appreciate you confirming that future payments to Bradbury Stamm will be processed via ACH.

Could you please confirm when our next payment is scheduled to be issued to our BMO bank account?

Good morning Andy,

I apologize that I'm unable to provide a firm date for ACH payments. I'm new to this position and Valencia County has never used ACH for payments. We are in process of getting approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the banking information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to process via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

Good morning Andy,

I apologize that I'm unable to provide a firm date for ACH payments. I'm new to this position and Valencia County has never used ACH for payments. We are in process of getting approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the banking information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to process via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

Thank you for the update. Do you have an idea of a time frame when Valencia Country will start making ACH payments?

Thank you

In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

Hello,

Do we have any Bradbury Stamm invoices that Grants has been holding while waiting for the $3.9 million reimbursement? Mr. Auger (below) is inquiring about when they can expect the next payment from us. I'm happy to pass any information to him. Thanks,

Good morning Michelle,

I hope this email finds you well. I am writing to follow up on my previous message regarding the scheduled payment date to our BMO bank account. Could you please provide an update on when we can expect the next payment to be issued?

Thank you for your time and assistance.

Best regards,

Good afternoon Michelle,

Thank you for the update. We appreciate you confirming that future payments to Bradbury Stamm will be processed via ACH.

Could you please confirm when our next payment is scheduled to be issued to our BMO bank account?

Best regards,
Andy

We are in process of getting approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the banking information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to process via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me.

More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

Good afternoon Michelle,

Just bringing this to the top of your inbox. We are still awaiting an update regarding the scheduled payment date to our BMO bank account.

Please advise on when we can expect the next payment to be issued.

Best regards,

We are in process of getting approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the banking information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to process via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

Good Afternoon Michelle,

We have Pay application 014 pending to be paid in the amount of $2,231,042.11 . Now that we had received the lastest reimbursement request we can move forward with paying the attached Invoice.

I did not find this invoice signed by Johnathan in our server, but Jeremias sent the email below back on 9/11/25, so I'm not sure if you already have this invoice that is signed. If not, may you please send the attached invoice for signature from Johnathan, then Jeremias so it can be paid ASAP. PO is attached to Invoice.

The sooner we can get this paid the better, so we can get the reimbursement request submitted before the next pay application (015) is received.

Thanks,

Josh Z.

Good morning Andy,

I apologize that I'm unable to provide a firm date for ACH payments. I'm new to this position and Valencia County has never used ACH for payments. We are in process of getting approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the banking information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to process via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

Good afternoon,

As Rustin stated in his e-mail to you, currently Valencia County does not utilize ACH/EFT for payments to vendors. This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Hello Michelle,

Please disregard email below. As discussed I have located the invoice that is signed by Jhonathan. I will get this sent over to Monique to obtain digital signature from Jeremias for final processi

Good Afternoon Michelle,

We have Pay application 014 pending to be paid in the amount of $2,231,042.11 . Now that we had received the lastest reimbursement request we can move forward with paying the attached Invoice.

I did not find this invoice signed by Johnathan in our server, but Jeremias sent the email below back on 9/11/25, so I'm not sure if you already have this invoice that is signed. If not, may you ple send the attached invoice for signature from Johnathan, then Jeremias so it can be paid ASAP. PO is attached to Invoice.

The sooner we can get this paid the better, so we can get the reimbursement request submitted before the next pay application (015) is received.

Thanks,

Josh Z.

Good morning Michelle,

I hope this email finds you well. I am writing to follow up on my previous message regarding the scheduled payment date to our BMO bank account. Could you please provide an update on wh we can expect the next payment to be issued?

Thank you for your time and assistance.

Best regards,

Andy

Good morning Andy,

I apologize that I'm unable to provide a firm date for ACH payments. I'm new to this position and Valencia County has never used ACH for payments. We are in process of getting approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we rece and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the banking informa on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to process via ACH by t time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

Good afternoon,

My apologies for the delay in answering your questions. I believe we were waiting for a large reimbursement to post to our hospital fund in order to make our next payment. The reimbursement was received yesterday and the invoice for services performed in August has been put in the process to be paid. It should be processed either tomorrow, or next Tuesday, October 7th. Thank you.

Good morning Andy,

I apologize that I'm unable to provide a firm date for ACH payments. I'm new to this position and Valencia County has never used ACH for payments. We are in process of getting approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the banking information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to process via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

Good afternoon,

As Rustin stated in his e-mail to you, currently Valencia County does not utilize ACH/EFT for payments to vendors. This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

We have recently modified and upgraded our banking relationship and card payment services. As part of this upgrade. We appreciate your cooperation in making this change to your records. We would prefer Wire Payment in lieu of paper checks, pending the time we get it resolved. Please advise so I can send you our new bank details for the WIre payment.

Waiting for your response.

We are in process of getting approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the bank information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to proces via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

Good afternoon Michelle,

Just bringing this to the top of your inbox. We are still awaiting an update regarding the scheduled payment date to our BMO bank account.

Please advise on when we can expect the next payment to be issued.

Best regards,
Andy

Good morning Andy,

I apologize that I'm unable to provide a firm date for ACH payments. I'm new to this position and Valencia County has never used ACH for payments. We are in process of gettir approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the ba information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to proc via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

Good morning Andy,

Last Thursday we attempted to process a payment for Bradbury and ran into an issue from our end. We're working on completing the payment this morning, but there is a possibility that the payment will be sent to the 1st account I was given. I'm waiting for our Treasurer to finalize my access to the bank account we pay from so I can upload ACH file. I will update you once I do that. Thank you,

Good afternoon Michelle,

Thank you for the update. We appreciate you confirming that future payments to Bradbury Stamm will be processed via ACH.

Could you please confirm when our next payment is scheduled to be issued to our BMO bank account?

Best regards,
Andy

We are in process of gettir approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the ba information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to proc via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

Good afternoon,

As Rustin stated in his e-mail to you, currently Valencia County does not utilize ACH/EFT for payments to vendors. This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from eac vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. We are in process of ge approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the I information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to pı via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

Good Morning Michelle

Good morning Michelle,

I hope this email finds you well. I am writing to kindly request an update regarding the status of our ACH payment. Could you please let me know if the payment has been successfully made, or still in the process of uploading the updated banking information?

Thank you for your assistance.

Best regards,
Andy

We are in process c approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendor receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

Hello,

As we are just starting these payments, I'm having to set up logins with every bank account we have, which is quite a few. I just got my login set up for the account we use payments to Bradbury Stamm, but I haven't been able to find a link to upload the ACH file. I am waiting for a call back from them (hopefully today). I will upload the ACH f soon as I can and update you. Thank you for your patience.

Thank you for the update. We appreciate you confirming that future payments to Bradbury Stamm will be processed via ACH.

Could you please confirm when our next payment is scheduled to be issued to our BMO bank account?

Best regards,
Andy

Good morning Andy,

I apologize that I'm unable to provide a firm date for ACH payments. I'm new to this position and Valencia County has never used ACH for payments. We are in process c approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendor receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

Good morning Michelle,

I hope you're doing well. I'm following up on our last conversation regarding the ACH payment. Have you been able to locate the link to upload the ACH file to the bank account?

Additionally, could you provide an updated timeframe for when we can expect the payment to be issued? Please keep me informed of any developments.

Best regards,
Andy

Good afternoon,

As Rustin stated in his e-mail to you, currently Valencia County does not utilize ACH/EFT for payments to vendors. This is in three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our ve advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 f vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it bac More information regarding the timeline is forthcoming via e-mail as have it more solidified. Good morning,

My apologies, I thought Sandra would have updated you regarding the payments. We're having issues with being able to send ACH payments through our bank still so we check for both August & September's invoices. They were hand delivered last week. I will update you as soon as I get the banking situation rectified. Thanks!

Good morning Michelle,

I hope you're doing well. I'm following up on our last conversation regarding the ACH payment. Have you been able to locate the link to upload the ACH file to the bank account?

Additionally, could you provide an updated timeframe for when we can expect the payment to be issued? Please keep me informed of any developments.

Best regards,
Andy

Good morning Andy,

I apologize that I'm unable to provide a firm date for ACH payments. I'm new to this position and Valencia County has never used ACH for payments. We are in process c approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendor receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

Good morning Michelle,

I am writing to follow up on the banking situation. Have you successfully set up our Penfed Credit Union account for ACH payments yet?

We appreciate you keeping us updated on your progress in resolving this.

Best regards,

Andy

I apologize that I'm unable to provide a firm date for ACH payments. I'm new to this position and Valencia County has never used ACH for payments. We are in proces approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vend receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already ha information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be ab via ACH by the time we receive the September invoice. Good morning Michelle,

I am writing to follow up on my last message regarding the resolution of the ACH payment issues.

Have you successfully set up our Penfed Credit Union account for ACH payments yet?

Best regards,
Andy

As we are just starting these payments, I'm having to set up logins with every bank account we have, which is quite a few. I just got my login set up for the account v payments to Bradbury Stamm, but I haven't been able to find a link to upload the ACH file. I am waiting for a call back from them (hopefully today). I will upload the soon as I can and update you. Thank you for your patience.

Once that stage is complete, we should be able to begin processing payments for individual ve receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already h information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be via ACH by the time we receive the September invoice. Good morning Andy,

It isn't your bank that I've been trying to get set up with, it's ours. We have several different bank accounts for different funds, and I have been working to get set up for al believe I was finally given the correct permissions yesterday and am currently waiting for the instructions for online access to create the ACH payments. With any luck, I w those today or tomorrow and be able to send the next payment via ACH. I will notify you with any updates. Thank you,

Good morning Michelle,

I am writing to follow up on my last message regarding the resolution of the ACH payment issues.

Have you successfully set up our Penfed Credit Union account for ACH payments yet?

Best regards,
Andy

Good Morning Michelle,

Thank you for this detailed update. It's great to hear that you have the necessary permissions and expect to receive the instructions for online ACH access soon.

Could you please provide an exact date for when the next payment is scheduled to be issued?

Also, please note that our banking information has recently changed. I am currently waiting for the voided check, and I will send the updated details to you immediately once I receive it. Knowir date will help ensure I send the new information in time for the payment to be directed to the correct account: [New Bank Name/Details].

Best regards,

Andy

I hope you're doing well. I'm following up on our last conversation regarding the ACH payment. Have you been able to locate the link to upload the ACH file to the bank account?

Additionally, could you provide an updated timeframe for when we can expect the payment to be issued? Please keep me informed of any developments.

Good morning Michelle,

I am writing to kindly confirm if you received my last email from December 10th regarding the upcoming ACH payment date and the new banking information for Bradbury Stamm.

Could you please confirm the scheduled date for the next payment?

Thank you for your assistance.

Best regards,
Andy

Good morning Michelle,

I hope you're doing well. I'm following up on our last conversation regarding the ACH payment. Have you been able to locate the link to upload the ACH file to the bank account?

Additionally, could you provide an updated timeframe for when we can expect the payment to be issued? Please keep me informed of any developments.

Best regards,
Andy

Good morning Andy,

I did receive your email and have not had the opportunity to respond yet. For clarification, did the banking information change again? We currently have the below on file

If the banking information has changed from this, please complete the attached EFT form for our records and I will get it updated. My office has not received the invoice f today; however, when we do process it, the payment will be sent via ACH. Please let me know if you need anything further. Have a great weekend,

Good morning Michelle,

I am writing to kindly confirm if you received my last email from December 10th regarding the upcoming ACH payment date and the new banking information for Bradbury Stamm.

Could you please confirm the scheduled date for the next payment?

Thank you for your assistance.

Best regards,
Andy

Good morning Michelle,

I am writing to kindly confirm if you received my last email from December 10th regarding the upcoming ACH payment date and the new banking information for Bradbury Stamm.

Could you please confirm the scheduled date for the next payment?

Thank you for your assistance.

Best regards,
Andy

Good morning Michelle,

I hope you're doing well. I'm following up on our last conversation regarding the ACH payment. Have you been able to locate the link to upload the ACH file to the bank account?

Additionally, could you provide an updated timeframe for when we can expect the payment to be issued? Please keep me informed of any developments.

Best regards,

Good morning Michelle,

I am writing to kindly confirm if you received my last email from December 10th regarding the upcoming ACH payment date and the new banking information for Bradbury Stamm.

Could you please confirm the scheduled date for the next payment?

Thank you for your assistance.

Good morning Michelle,

I hope you're doing well. I'm following up on our last conversation regarding the ACH payment. Have you been able to locate the link to upload the ACH file to the bank account?

Additionally, could you provide an updated timeframe for when we can expect the payment to be issued? Please keep me informed of any developments.

Best regards,
Andy

I apologize that I'm unable to provide a firm date for ACH payments. I'm new to this position and Valencia County has never used ACH for payments. We ar approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for indi receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we s via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

Good afternoon Michelle,

Just bringing this to the top of your inbox. We are still awaiting an update regarding the scheduled payment date to our BMO bank account.

Please advise on when we can expect the next payment to be issued.

Best regards,
Andy

Hi Michelle,

Yes, we can confirm that we received the ACH payment of $2,021,099.19.

Thank you for confirming the update and successfully processing the first ACH payment to the new Chase Bank account.

Happy New Year!

Best,
Andy

Rose, below is the email chain on the last ACH issue we dealt with last October. I think we'll need to put Tyler and Andy (below email) in touch with Michelle to figure out how to resolve this ACH issue ***if*** in fact Bradbury did not get paid

Good Afternoon Michelle,

We have Pay application 014 pending to be paid in the amount of $2,231,042.11 . Now that we had received the lastest reimbursement request we can move forward with paying the attached Invoice.

I did not find this invoice signed by Johnathan in our server, but Jeremias sent the email below back on 9/11/25, so I'm not sure if you already have this invoice that is signed. If not, may you please send the attached invoice for signature from Johnathan, then Jeremias so it can be paid ASAP. PO is attached to Invoice.

The sooner we can get this paid the better, so we can get the reimbursement request submitted before the next pay application (015) is received.

Thanks,

Josh Z.

Good morning Andy,

I apologize that I'm unable to provide a firm date for ACH payments. I'm new to this position and Valencia County has never used ACH for payments. We are in process of getting approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the banking information on hand. I can't elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to process via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

Good afternoon,

As Rustin stated in his e-mail to you, currently Valencia County does not utilize ACH/EFT for payments to vendors. This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. I did receive your email and have not had the opportunity to respond yet. For clarification, did the banking information change again? We currently have the below on file.

If the banking information has changed from this, please complete the attached EFT form for our records and I will get it updated. My office has not received the invoice for November as of today; however, when we do process it, the payment will be sent via ACH. Please let me know if you need anything further. Good morning Andy,

I apologize that I'm unable to provide a firm date for ACH payments. I'm new to this position and Valencia County has never used ACH for payments. We are in process of getting approval to send out the request for ACH information to our vendors. Once that stage is complete, we should be able to begin processing payments for individual vendors as we receive and set up their new profiles in our accounting software. I'm happy to say that Bradbury Stamm will probably be the first ACH payment sent out as I already have the banking information on hand. I can't

elaborate on what kind of problems might arise as I'm new to the software we use as well. Barring any unforeseen issues, we should be able to process via ACH by the time we receive the September invoice. If that changes I will update you ASAP. Thank you and have a great day.

Good Morning,

I reviewed the ACH form and letter from your banking institution. As a means of protecting our customers, I kindly ask that your provide the Substitute W9 with an original signature and provide a letter less than 30 days old, or a voided check from the bank account. We hope you understand that Bradbury Stamm's security is very important to us. If you have any questions, please feel free to reach out. Thank you and have a great day!

Good afternoon,

As Rustin stated in his e-mail to you, currently Valencia County does not utilize ACH/EFT for payments to vendors. This is in the top three priorities I have for the county to upgrade the process. In preparation, I will send out a communication to all of our vendors advising we are in the process of converting to ACH payments. Part of this process will be to request a new Substitute W-9 from each vendor that includes banking information. I've attached this form to this e-mail so that you can complete and provide it back to me. More information regarding the timeline is forthcoming via e-mail as have it more solidified. Thank you for your patience and understanding while we work through this change.

We have recently modified and upgraded our banking relationship and card payment services. As part of this upgrade. We appreciate your cooperation in making this change to your records. We would prefer Wire Payment in lieu of paper checks, pending the time we get it resolved. Please advise so I can send you our new bank details for the WIre payment.

Waiting for your response.
