 POLICY     GUIDELINE     DIRECTIVE

### ***Purpose:***

*The purpose of the Valencia County Fire Department is to protect and enhance the safety and well-being to the community.*

### ***Vision Statement:***

*We strive to provide the best service for the residents and visitors of Valencia County.*

### ***Mission Statement:***

*The Valencia County Fire Department is dedicated in creating a safer community through Professionalism, Preparedness and Effective Emergency Response.*

### ***Department Values:***

- *Valor*
- *Integrity*
- *Respect*
- *Dedication*

### ***Risk Statement:***

*The Valencia County Fire Department is dedicated in providing the highest quality service possible in both emergent and non-emergent situations to its residences and visitors. In providing this high standard of care we will identify the natural and human-caused hazards that impact the County and the vulnerability assessment for each hazard that considers exposure / loss estimations and development of analysis. Through our policies and procedures we will make decisions that save lives, property and the environment*
